Council Member Love introduced the following:

RESOLUTION NUMBER 32.41.21R

A RESOLUTION OF THE COMMON COUNCIL OF THE CITY OF ALBANY CALLING ON THE MAYOR OF THE CITY OF ALBANY AND OUR COUNTY, STATE, AND FEDERAL PARTNERS TO IMPLEMENT MORE INCENTIVES FOR AFFORDABLE HOMEOWNERSHIP AND GRANTS FOR HOMEOWNER MAINTENANCE ASSISTANCE

WHEREAS, in the early 20th century, Albany's downtown areas (Arbor Hill, South End, Livingston Ave) were redlined by banks – a process by which banks would decline to issue mortgages for purchases of homes (*See* 1938 Home Owners Loan Corporation map); and

WHEREAS, on November 2, 2017, the Republican Congress introduced the Tax Cuts and Jobs Act of 2017, which was subsequently signed into law in December 2017; and

WHEREAS, the Tax Cuts and Jobs Act of 2017 introduced the concept of “Opportunity Zones.” Opportunity Zones are federal economic development tools focused on improving the outcomes of communities across the country, especially in areas that have suffered from disinvestment over many years. Opportunity Zones are designated low-income census tracts where tax incentives are available to groups or individuals who invest in an Opportunity Fund (i.e., an investment vehicle for injecting money in an Opportunity Zone) and hold their capital gains in Opportunity Zone-related assets or property; and

WHEREAS, these “Zones” are the same or very similar areas that were redlined in our country’s history; and

WHEREAS, Opportunity Zones have exacerbated gentrification around the country and displaced black and brown working-class people from their homes and only benefits investors and not the people living in these underserved neighborhoods; and

WHEREAS, a majority of funding by both Federal and State grants are for affordable rental housing and provide a much smaller percentage, if any at all, towards affordable homeownership; and

WHEREAS, homeownership allows for many opportunities especially for black, brown, and people of color to create generational wealth and can minimize, if not prevent, the impacts of gentrification; and

WHEREAS, the County has created the Albany County Land Bank Corporation. However, the renovations required for fixing homes available through the Land Bank are out of reach for many families; and

WHEREAS, many homeowners need assistance with the maintenance of their homes and the cost of renovations in Albany are typically higher due to costs associated with living in a historic city; and

NOW, THEREFORE, BE IT RESOLVED, that the Common Council of the City of Albany calls on the Mayor, our County, State, and Federal partners to implement more incentives for affordable homeownership and grants for homeowner maintenance assistance; and

BE IT FURTHER RESOLVED, that the clerk is directed to send a copy of this resolution to the County Executive and Chairman of the County Legislature as well as our State and Federal representatives.
