Local Law B OF 2026

TITLE

A LOCAL LAW AMENDING ARTICLE III (SENIOR CITIZENS TAX EXEMPTION) OF CHAPTER 333 (TAXATION) OF THE CODE OF THE CITY OF ALBANY TO ALLOW FOR THE FORGOING OF FILING RENEWAL APPLICATIONS FOR PROPERTY OWNERS WHO HAVE RECEIVED THE EXEMPTION FOR FIVE (5) CONSECUTIVE YEARS

GENERAL PURPOSE OF LEGSLATION

The City of Albany's senior citizen property tax exemption, codified at Code § 333-34 et seq., is authorized by and based upon section 467 of the New York State Real Property Tax Law. The renewal process, which is currently in place for the City of Albany, requires an annual renewal, including a State form, Federal Tax Returns, bank statements and Social Security documents.

The required renewal paperwork is cumbersome to collect and important to remain protected for these property owners. State regulations require the removal of the exemption for those unable to satisfactorily submit the required documents, which would be catastrophic to the property owners' ability to age in their homes.

Adopting RPTL §467(6)(b) will allow the property owners who have received the Senior Citizen exemption for five consecutive years to forgo the formal renewal process and rather submit an affidavit of qualification which will be provided by the Department of Assessment.

The adoption of this local law into City Code will free up resources in the Department of Assessment and help Seniors receive the exemption in which they are legally entitled.

NECESSITY FOR LEGISLATION AND ANY CHANGE TO EXISTING LAW

This local law helps the City of Albany achieve in assisting seniors' ability to age in their homes. By alleviating the burden imposed by the renewal requirements, it will allow seniors to retain the exemption without multiple trips to City Hall, providing sensitive financial information, and in many cases, the loss of the exemption altogether due to potential confusion and inability to complete.

FISCAL IMPACT

None.

Council Member Keegan, on behalf of the Committee on Finance, Assessment and Taxation, introduced the following:

LOCAL LAW C OF 2026

Be it enacted, by the Common Council of the City of Albany, as follows:

Section 1. Section 42-263 (Annual salaries; elective officials) of Article XXXII (General Provisions) of Part 22 (Elective and Appointive Officers of the City of Albany) of Chapter 42 (Departments and Commissions) of Part I (Administrative Legislation) of the Code of the City of Albany is hereby amended as follows:

LOCAL LAW C OF 2026

TITLE

A LOCAL LAW AMENDING SECTION 42-263 (ANNUAL SALARIES; ELECTIVE OFFICERS) OF THE CODE OF THE CITY OF ALBANY IN RELATION TO ADDING A MAJORITY WHIP POSITION FOR THE COMMON COUNCIL AND THE SALARIES OF ELECTIVE OFFICERS

GENERAL PURPOSE OF LEGISLATION

Per section 203 of the City Charter, “The salaries of elected officials shall be fixed by local law of the Common Council.” The Council has codified salaries for elected officials in the City Code at section 42-263, but the salaries reflected therein do not reflect the recently added leadership position, Majority Whip. This position was added in the Common Council’s Rules of Procedure that were adopted on January 5, 2026, and the position was filled by election on January 23, 2026. This legislation amends the Code to reflect the added position by amending section 1 of Local Law 9-2025.

NECESSITY FOR LEGISLATION AND ANY CHANGE TO EXISTING LAW

This legislation is necessary to comply with the City Charter, to enact the adopted Rules of Procedure, and to make updates to Code § 42-263.

The addition of this position fills a role currently empty in Common Council Leadership. The Majority Whip will be responsible for managing intercommunications between Council Leadership and other Council members, including such communications as it relates to regular and special meetings of the Council, events, legislative items, and matters of public policy. The Majority Whip will also exercise the powers granted to the Majority Leader in their absence.

FISCAL IMPACTS

This local law would increase expenditure by approximately \$3,000 annually.

Council Members Anane, Flynn and Keegan introduced the following:

ORDINANCE 1.21.26

AN ORDINANCE AMENDING CHAPTER 251 (PARKS AND RECREATION) AND CHAPTER 232 (STREETS AND SIDEWALKS) OF THE CODE OF THE CITY OF ALBANY IN RELATION TO COMPREHENSIVELY PROHIBITING SMOKING PRODUCTS AND LIMITING THEIR PROXIMITY TO AT-RISK POPULATIONS

The City of Albany, in Common Council convened, does hereby ordain and enact:

Section 1. Section 251-9 (Smoking in City parks and recreational areas) of Article I (Public Grounds Designated as Parks; Government and Care of Parks and Parkways) of Chapter 251 (Parks and Recreation) of Part II (General Legislation) of the Code of the City of Albany is hereby amended to read as follows:

§ 251-9 Smoking in City parks and recreational areas.

- A. Smoking is responsible for the premature deaths of over 440,000 Americans each year from lung cancer, heart disease, and other smoking-related diseases. It kills more Americans each year than alcohol, cocaine, heroin, crack, homicide, suicide, accidents, fires and AIDS combined. Eighty percent of smokers started smoking before the age of 18, and the average initiation age is 12 years old. Each year in the United States alone, secondhand smoke is responsible for an estimated 42,000 deaths from heart disease in people who are current nonsmokers; about 3,400 lung cancer deaths in nonsmoking adults; worse asthma and asthma-related problems in up to 1,000,000 asthmatic children; between 150,000 and 300,000 lower respiratory tract infections (lung and bronchus) in children under 18 months of age, with 7,500 to 15,000 hospitalizations each year; and making children much more likely to be put into intensive care when they have the flu; they stay in the hospital longer, and they are more likely to need breathing tubes than kids who are not exposed to SHS. Cigarette butts also cause litter problems in the parks and ruin the natural atmosphere.
- B. No person shall ~~smoke~~ engage in smoking, vaping, or use of any combustible or electronic tobacco, nicotine, or cannabis products upon or within 50 feet of the City's parks, recreation centers, sport fields, swimming pools, or playgrounds. ~~For purposes of this section, to "smoke" means to burn a lighted cigar, cigarette, or pipe or to use any other substance which contains tobacco.~~
- C. Violation of this section shall be an offense punishable by a fine of \$50. "No Smoking" or "Smoke Free" signs or the international "No Smoking symbol", or both, Appropriate signage shall be posted designating tobacco-free zones; however, the presence or absence of signs shall not be a defense to a violation of this section.

Section 2. Article VI (Smoking Near Health Care Facilities and Inside Bus Shelters) of Chapter 323 Streets and Sidewalks of Part II of the Code of the City of Albany is hereby amended to read as follows:

Matter in ~~striketrough~~ to be deleted. Matter underlined is new material.

§ 323-96 Legislative intent

- A. The City of Albany Common Council finds that scientific studies have proven that cigarette smoking causes chronic lung disease, coronary heart disease, stroke, and cancer of the lungs, larynx, esophagus, mouth, and bladder and contributes to cancer of the cervix, pancreas, and kidneys. The use of cigars is also known to cause lung, larynx, esophageal, and oral cancer. More than 440,000 people die in the United States from tobacco-related diseases every year, making it the nation's leading cause of preventable illness. Furthermore, the United States Environmental Protection Agency has found secondhand smoke to be a risk to public health and has classified secondhand smoke as a Group A carcinogen. Exposure to secondhand smoke is the third leading cause of preventable death in this country.
- B. The City of Albany Common Council further finds that as health care facilities have prohibited smoking in their facilities and directly adjacent to their building doorways, there has been a large increase in people smoking on the public streets and sidewalks adjacent to these facilities. These streets and sidewalks at times are difficult to pass through because of the number of people congregating and the clouds of smoke that fill the air. It has also become unsightly as cigarette butts are thrown all over the ground, causing a litter problem in the area. Bus shelters are also being used by smokers as shelters during inclement weather. As the area above the sidewalk is enclosed by the shelter, the smoke is dangerous to those individuals with breathing difficulties.

§ 323-97 Definitions

BUS SHELTER

Any covered structure at a bus stop, placed upon a sidewalk in the City of Albany, providing protection against the weather for people waiting for a bus.

HEALTH CARE FACILITY

For purposes of this article, the term "health care facility" shall be deemed to include a hospital as defined in § 2801 of the Public Health Law and shall also include such facilities related to the hospital as laboratories, outpatient departments, training facilities, central service facilities and staff offices.

PUBLIC PLACE

Shall mean any place open to the general public, including, for example, streets, sidewalks, playgrounds, or bus stops. For sidewalks and driveways, this shall include the curb or, if no curb, the edge of the pavement.

§ 323-98 Smoking prohibited

- A. It shall be unlawful to ~~smoke or possess burning tobacco, including cigarettes, cigars, pipes, tobacco smoking devices, or any other lighted smoking equipment~~ engage in smoking, vaping, or use of any combustible or electronic tobacco, nicotine, or cannabis products within 100 feet of any building structure of a health care facility, upon any public place adjoining a health care facility, and inside of any bus shelter.

Matter in ~~strike through~~ to be deleted. Matter underlined is new material.

B. Health care facilities and bus transportation providers shall post "No Smoking" or "Smoke Free" signs or the international "No Smoking" symbol, or both, in conspicuous places on their properties sufficient to provide public notice of this prohibition; however, the presence or absence of signs shall not be a defense to a violation of this section.

§ 323-99 Penalties for offenses

The presence or absence of signs shall not be a defense to a violation of this article. A person found to be in violation of § 323-98 is subject to a fine up to \$50 per violation.

Section 3. This ordinance shall take effect 30 days from final passage.

GENERAL PURPOSE OF LEGISLATION

This ordinance clarifies existing language throughout the code to more comprehensively address tobacco, vaping, and marijuana products. GENERAL PURPOSE OF LEGISLATION

Niagara Mohawk Power Corporation proposes upgrades to its Normanskill Gas Regulator Station in the City of Albany. Council Members Anane, Adams, Balarin, Brodie, Farrell, Flynn, Hoey, Johnson, Jones, Keegan, Lumpkin, Powell, Robinson, Williamson, and Zamer, with the Support of Council President Kimbrough, introduced the following:

RESOLUTION 8.21.26R

A RESOLUTION OF THE COMMON COUNCIL HONORING BLACK HISTORY MONTH AND THE CONTRIBUTIONS OF AFRICAN AMERICANS AND DIRECTING THE MAYOR TO RAISE THE PAN-AFRICAN FLAG ON CITY HALL ANNUALLY IN SOLIDARITY

WHEREAS, the origin of Black History Month began in 1926, over half a century after the Thirteenth Amendment abolished slavery in the United States, growing out of “Negro History Week,” the creation of noted historian Dr. Carter G. Woodson and other prominent African Americans; and

WHEREAS, many African Americans lived, toiled, and died in obscurity, never achieving the recognition they deserved, and yet paved the way for future generations to succeed; and

WHEREAS, the celebration was born of a need to both highlight the important roles that African Americans have played in shaping American history and acknowledge the sacrifices and struggles of African Americans in the ongoing fights for civil rights, equality, justice, and racial justice; and

WHEREAS, with the Civil Rights Movement and a growing awareness of Black identity, Black History Month or National African American History Month evolved to an annual celebration encouraging all Americans to educate themselves about the rich history and contributions of African Americans as artists, scientists, educators, business people, thinkers, faith leaders, athletes, and governmental representatives—roles that reflect the diversity and distinction of the United States; and

WHEREAS, the Pan-African flag was designed to represent people of the African diaspora with its symbolism—red for both the blood shed by Africans who died in their fight for liberation and the shared blood of the African people, black for Black people, and green for growth and the natural fertility of Africa—and to symbolize Black freedom; and

WHEREAS, of its nearly 101,000 residents, 27.9% of the City’s residents are African American;

NOW, THEREFORE, BE IT RESOLVED, that the Common Council of the City of Albany does hereby adopt this resolution honoring Black History Month and the contributions of African-Americans; and

BE IT FURTHER RESOLVED, that the Mayor of the City of Albany shall raise the Pan-African flag on City Hall each February in solidarity and in recognition of Black History Month.

RESOLUTION 10.21.26R

TITLE

A RESOLUTION OF THE COMMON COUNCIL APPOINTING DEIRDRE BRODIE AS A BOARD MEMBER TO THE LARK STREET AREA BUSINESS IMPROVEMENT DISTRICT MANAGEMENT ASSOCIATION

GENERAL PURPOSE OF LEGISLATION

To make a Common Council appointment to the Board of Directors of the Lark Street Area Business Improvement District Management Association.

NECESSITY FOR LEGISLATION AND ANY CHANGE TO EXSITING LAW

Pursuant to §980-m(b) of the NYS General Municipal Law, the Common Council is authorized to make one appointment to the Board of Directors of a business improvement district management association (a/k/a “BID Board of Directors”). Under past practice the Council has deferred such appointment to the recommendation of the Common Council Members representing the applicable BID. The current boundaries of the Lark Street BID are contained entirely within the 6th Ward represented by Council Member Brodie who has requested appointment to the Lark Street BID Board of Directors. This resolution is necessary to effectuate that request and formally appoint Council Member Conti to the Lark Street BID Board.

Local Law A OF 2026 (MC)

TITLE

A LOCAL LAW AMENDING ARTICLE III (SENIOR CITIZENS TAX EXEMPTION) OF CHAPTER 333 (TAXATION) OF THE CODE OF THE CITY OF ALBANY TO INCREASE THE MAXIMUM INCOME ELIGIBILITY LEVELS APPLICABLE TO THE EXEMPTION

GENERAL PURPOSE OF LEGSLATION

The City of Albany's senior citizen property tax exemption, codified at Code § 333-34 et seq., is authorized by and based upon section 467 of the New York State Real Property Tax Law. From 2009 to the taxable year 2024, Senior Citizen property owners could be awarded an exemption based on their income level with a maximum discount of 50%. On December 5, 2025, Governor Hochul signed into law 2025 NY AB 3698 (also known as 2025 NY SB 5175), effective beginning in taxable year 2025. This authorized municipalities to create three new income levels which would allow for the exemption to be granted at 55, 60 and 65%, the Legislature amended section 467 to increase the exemption amounts up to 65%. Under the amended local law, seniors earning less than \$50,000 per year may enjoy an exemption in excess of the 50% which was historically provided by law, with new tiers added for 55%, 60%, and 65%.

NECESSITY FOR LEGISLATION AND ANY CHANGE TO EXISTING LAW

This local law conforms the City of Albany's exemption income eligibility to those recently authorized by the State. Albany previously conformed to the maximum levels permitted by State law. With the recent statewide increase in maximum permissible exemption, this legislation is necessary to bring Albany back in line with State standards.

The local law will apply only to assessment rolls prepared on the basis of taxable status dates occurring on and after January 1, 2026. Because of the arrangement of the assessment calendar under the Real Property Tax Law, the exemption will not be reflected for those who fall under the new eligibility brackets until the 2026-27 school tax bills and 2027 City/County tax bills.

As the City continues to assist our aging community, this exemption will continue to allow our seniors to age in their homes and not have to seek alternative living arrangements as a result of tax liabilities.

FISCAL IMPACT

None.

Council Members Flynn, Farrell, Hoey, and Zamer introduced the following:

WHEREAS, she loved being a mother to her son Brian, with whom she created countless memories: cheering him on at Little League games, planning surprises, and supporting school and community activities, even as she courageously battled metastatic melanoma; and
