## **Chief City Auditor Dr. Dorcey Applyrs Releases Statement Regarding Saving the City and Tax Payers \$4.09M Dollars for FY 2024**

**ALBANY, N.Y.** – For the 2024 calendar year, the Office of Audit and Control saved the City more than \$4.09M; through a Forensic Utility Audit, and by identifying duplicate charges, ineligible expenses, and other miscellaneous errors during the voucher auditing process.

Chief City Auditor Dr. Dorcey Applyrs said the following on the reported saving “At our core, we are committed to being good stewards of taxpayer dollars, so I’m pleased to see the fruit of our labor translating into a significant savings for the City and our residents. We will continue to partner with our colleagues in the respective departments to implement controls and prevent waste”

The Office of Audit and Control saved the city nearly \$3 million dollars more in 2024 than the previous fiscal year. These savings create available funds for reinvestment into city services such as street and sidewalk enhancements and community programs.
