## **Chief CITY Auditor Dr. Dorsey Applyrs Releases Statement Regarding Saving the City and Tax Payers \$4.09M Dollars for FY 2024**

**ALBANY, N.Y.** – The city of Albany saved \$4.09 million in 2024 thanks to cost-saving initiatives led by the Office of Audit and Control, including a forensic utility audit that identified duplicate charges and ineligible expenses.

"At our core, we are committed to being good stewards of taxpayer dollars, so I'm pleased to see the fruits of our labor translating into significant savings for the city and its residents," said Chief City Auditor Dr. Dorsey Applyrs. "We will continue to partner with our colleagues in the respective departments to implement controls and prevent waste."
