

PERMANENT CAPITAL CITY FUNDING

THE TIME IS NOW

FULFILLING OUR COMMITMENT

\$176,295,415

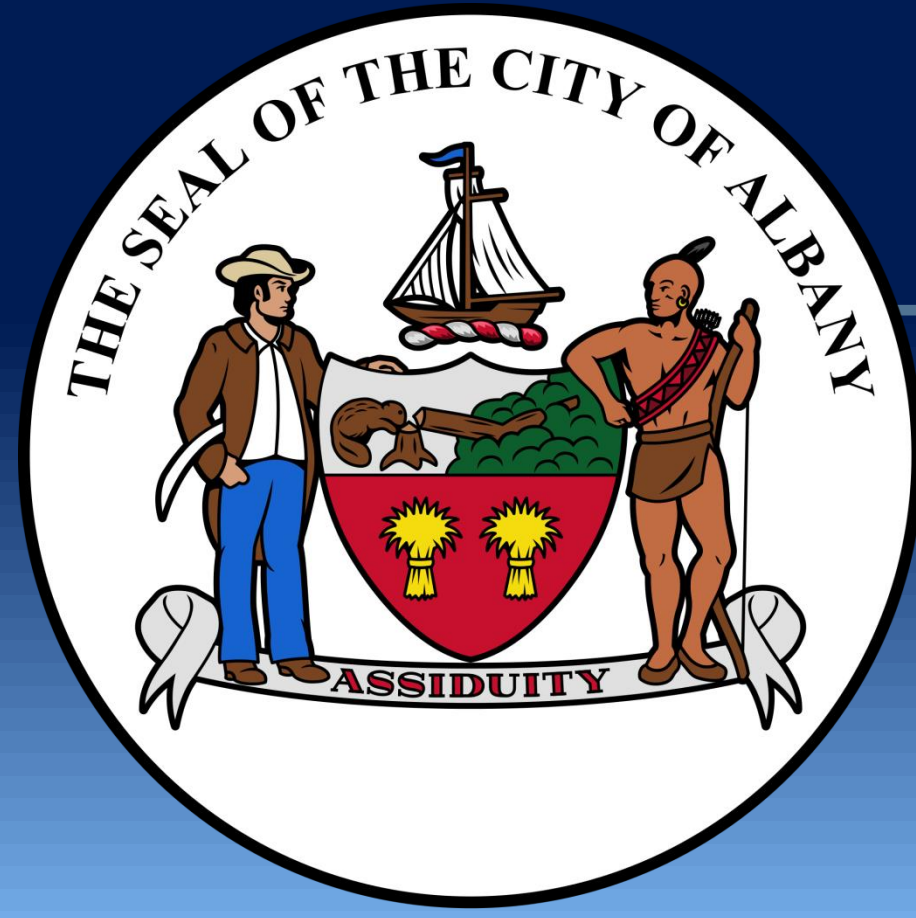

2015

\$177,148,136

2019

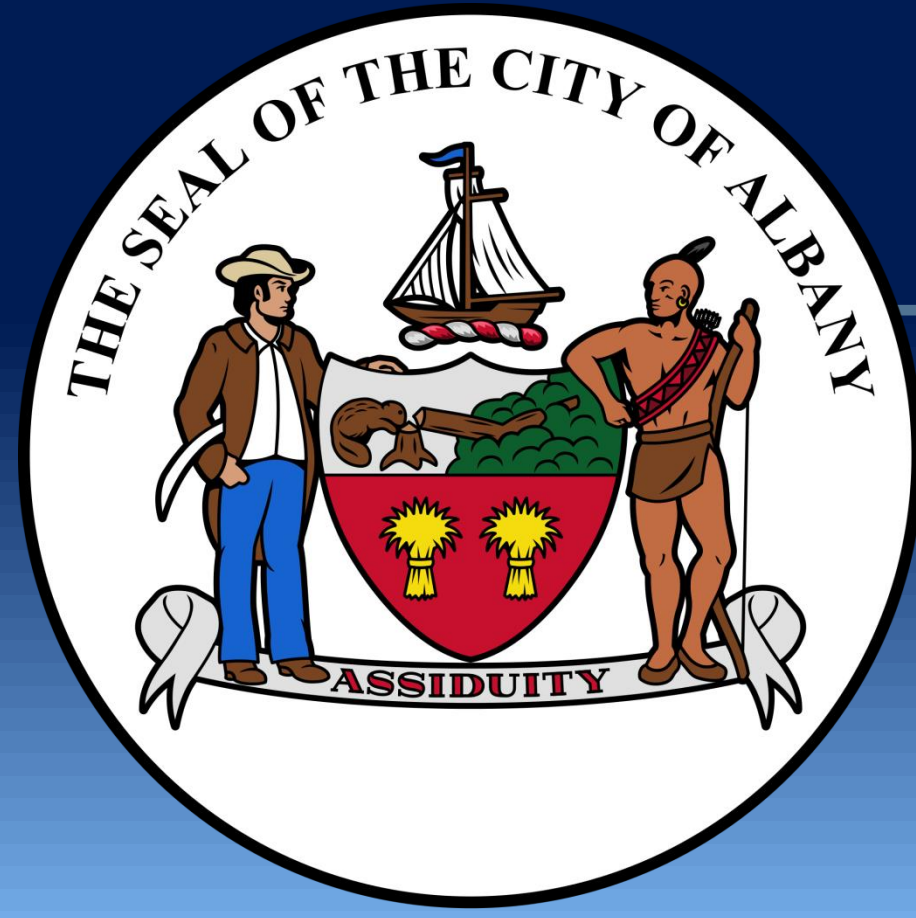

- Over the past 5 years, our budgets have increased by 0.48% combined
- That equates to an annual increase of 0.096% since 2015
- All of this happens with \$12.5M in Capital City Funding

THE TIME IS NOW

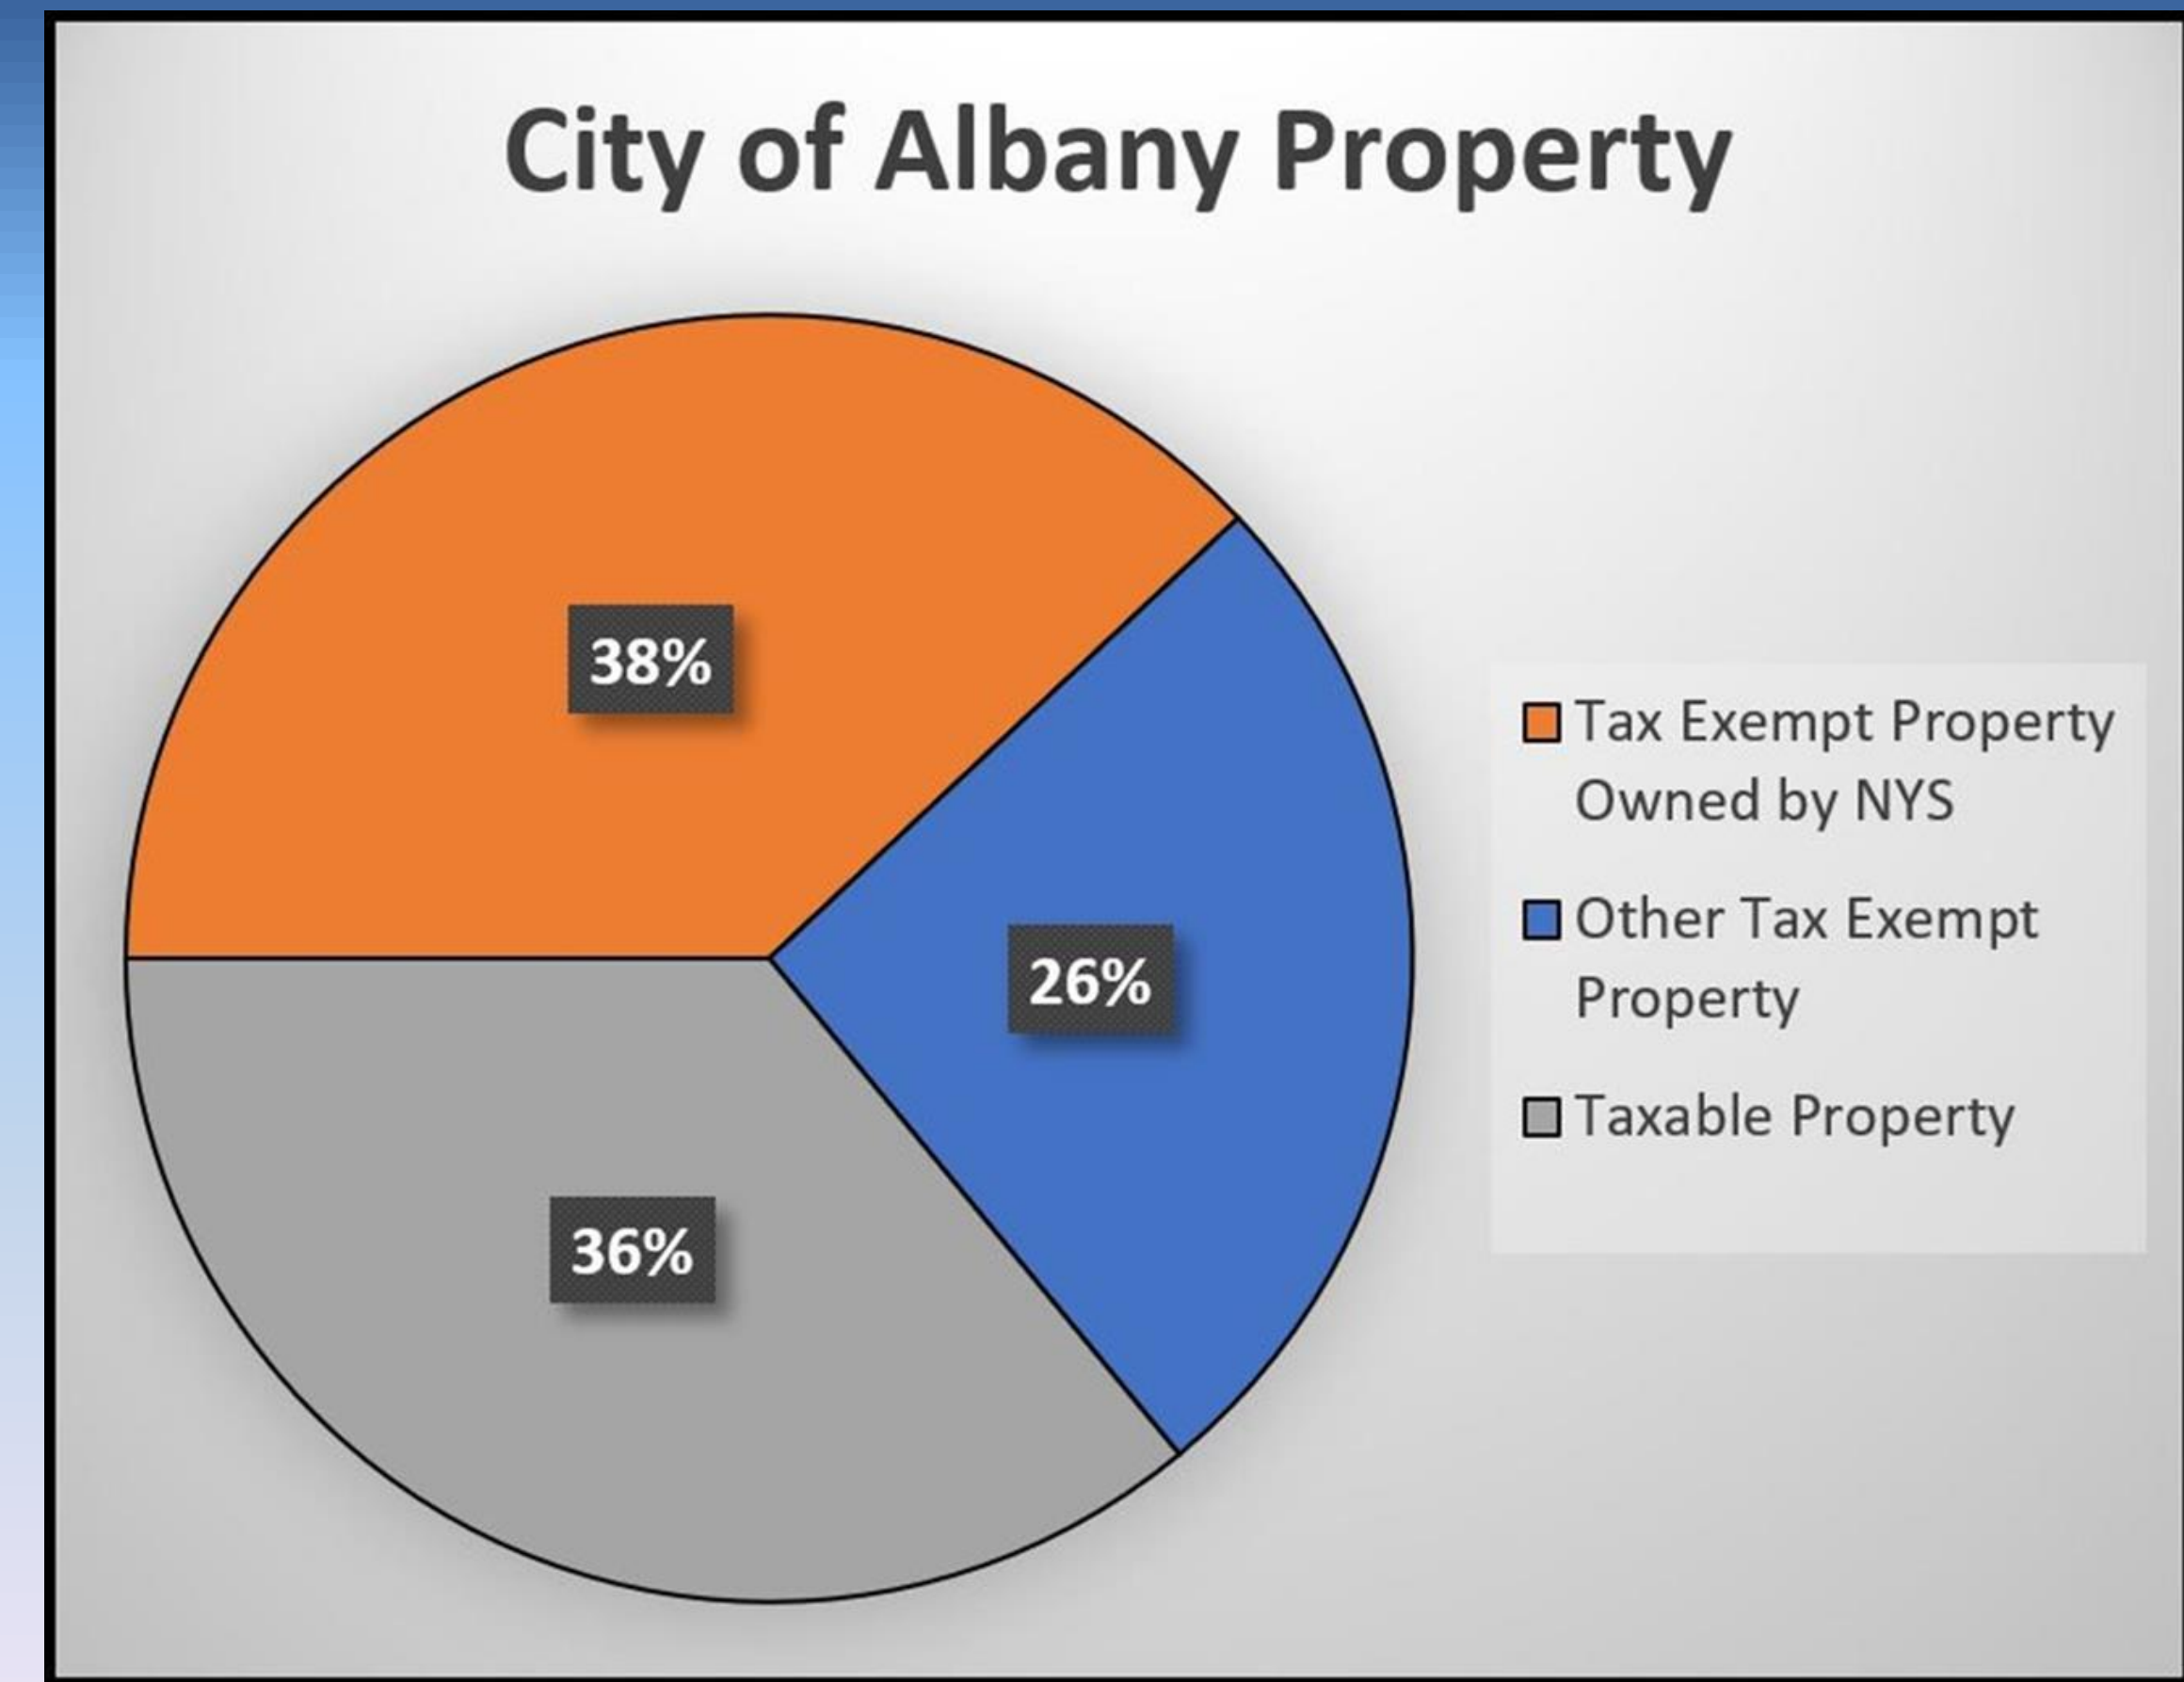

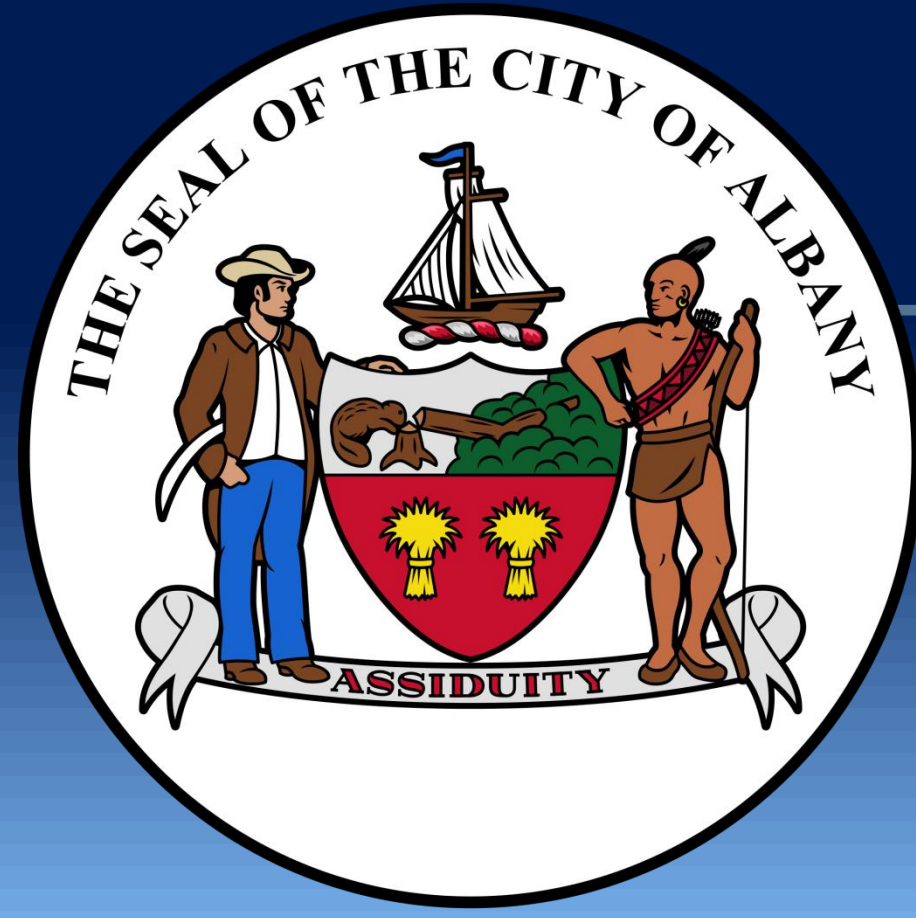

- New York's Capital City shouldn't be left behind as so much progress is made on important issues this session
- Albany shouldn't have to fight, year after year, for a baseline level of aid that every other city of our size enjoys by right

THE CASE FOR CAPITAL CITY FUNDING

- 64% of the property in Albany is tax-exempt, and NYS owns nearly 60% of the tax-exempt property
- Current NYS funding to Albany under Sec. 19-a of the Public Lands Law is equivalent to 0.29% of the value of NYS-owned property in Albany

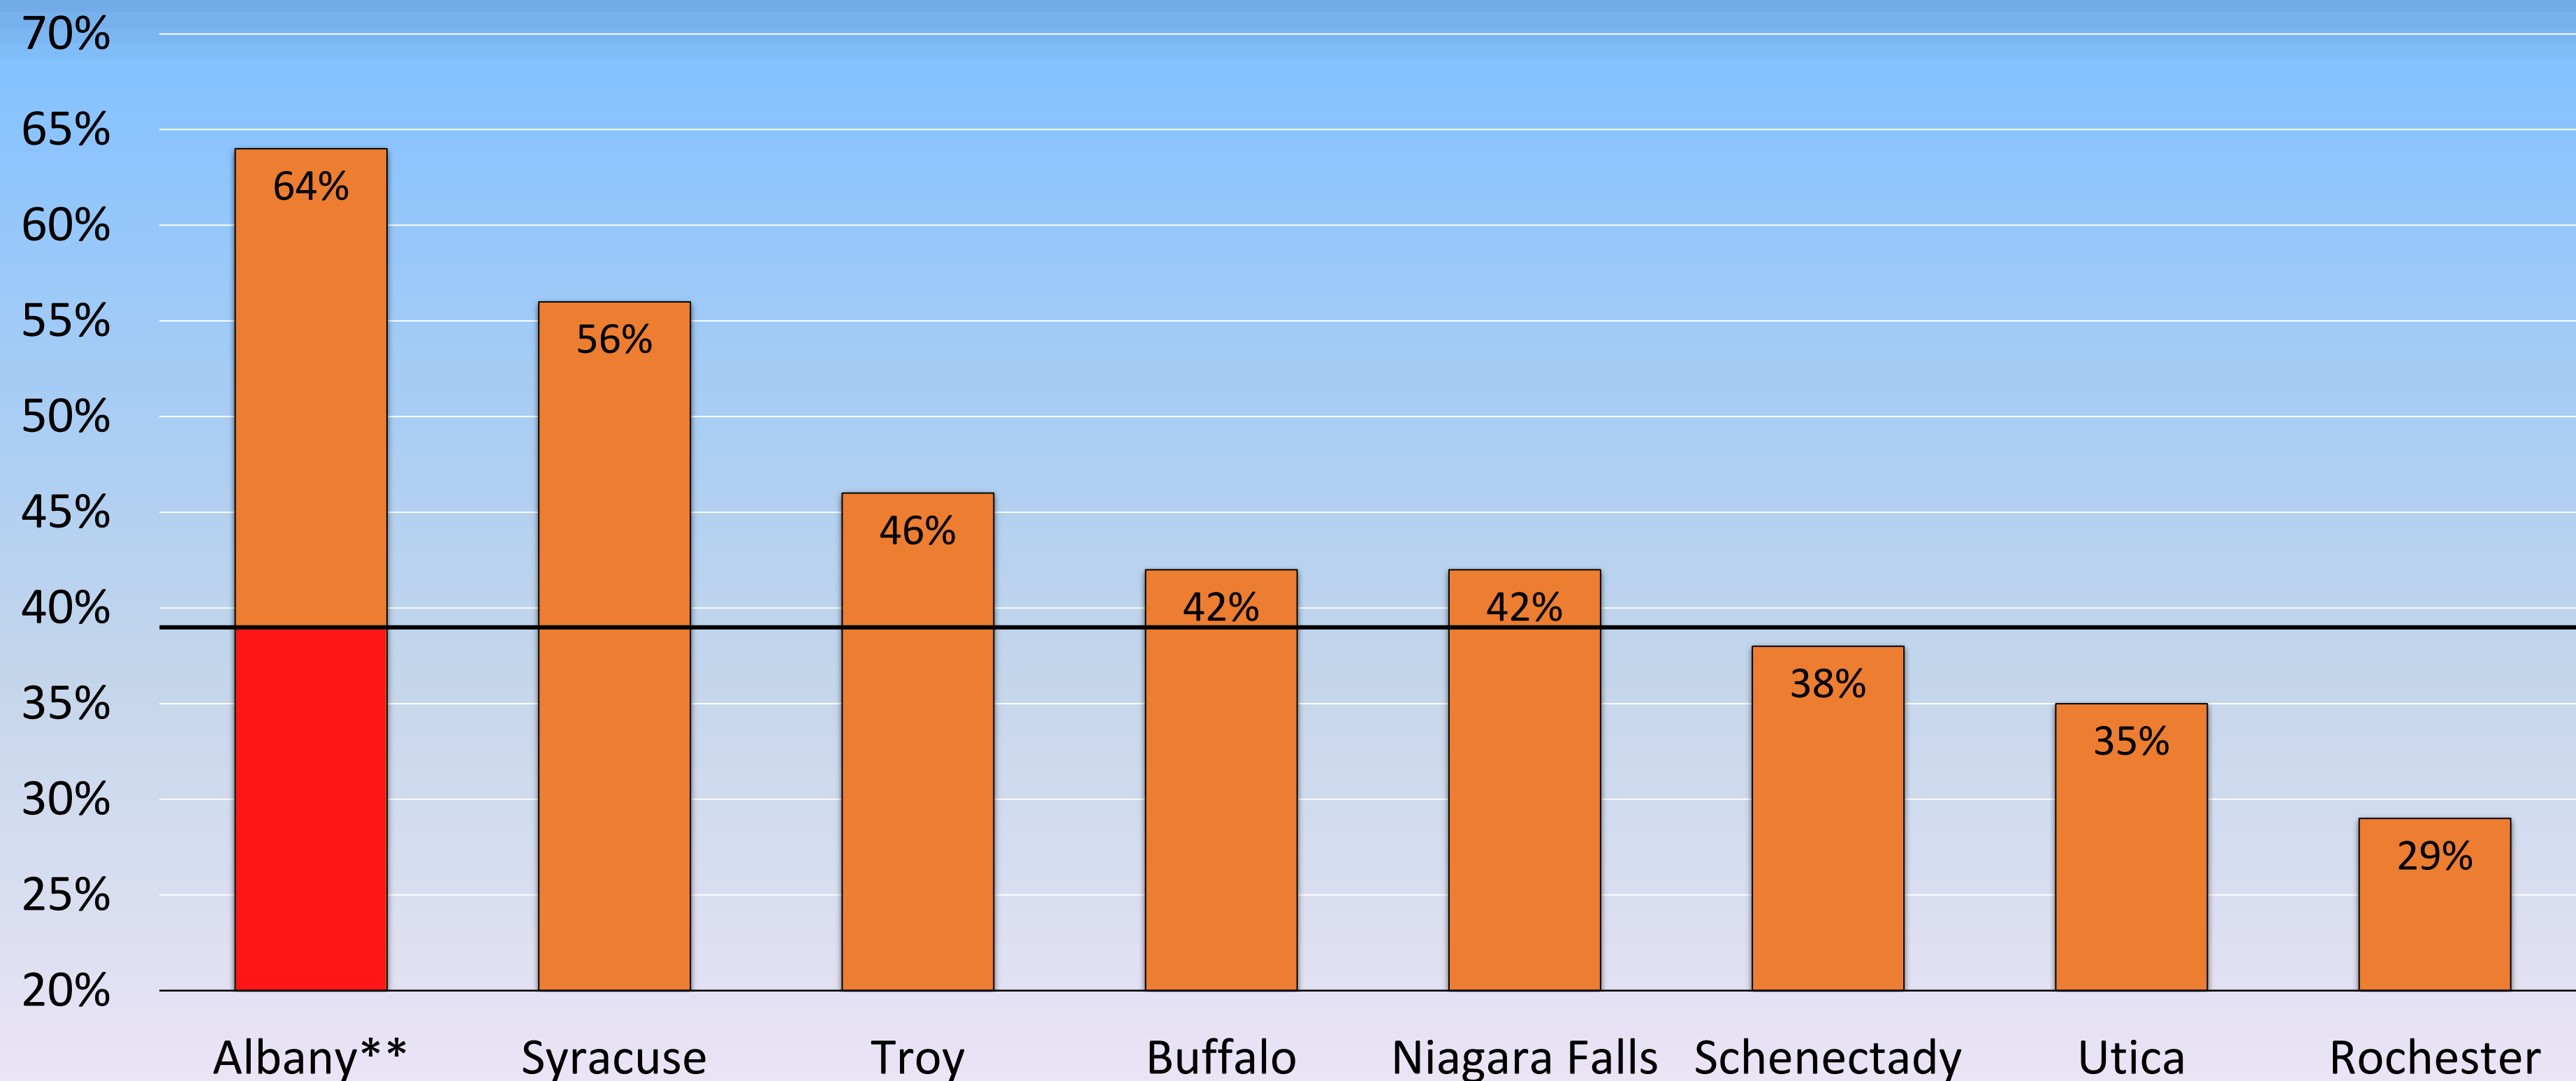

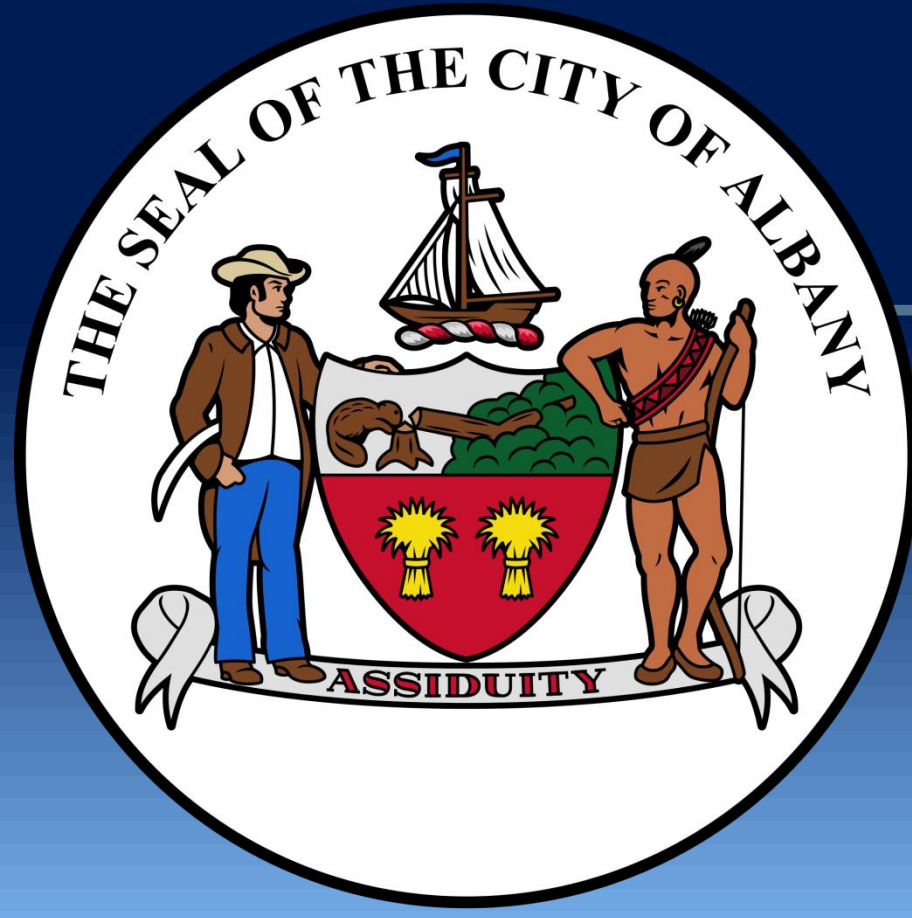

TAX EXEMPT PROPERTY

- NYS owns 38% of Albany's total property value – more than all the tax exempt property in Schenectady, Utica, or Rochester

Tax Exempt Property as a Percentage of Total Land Value*

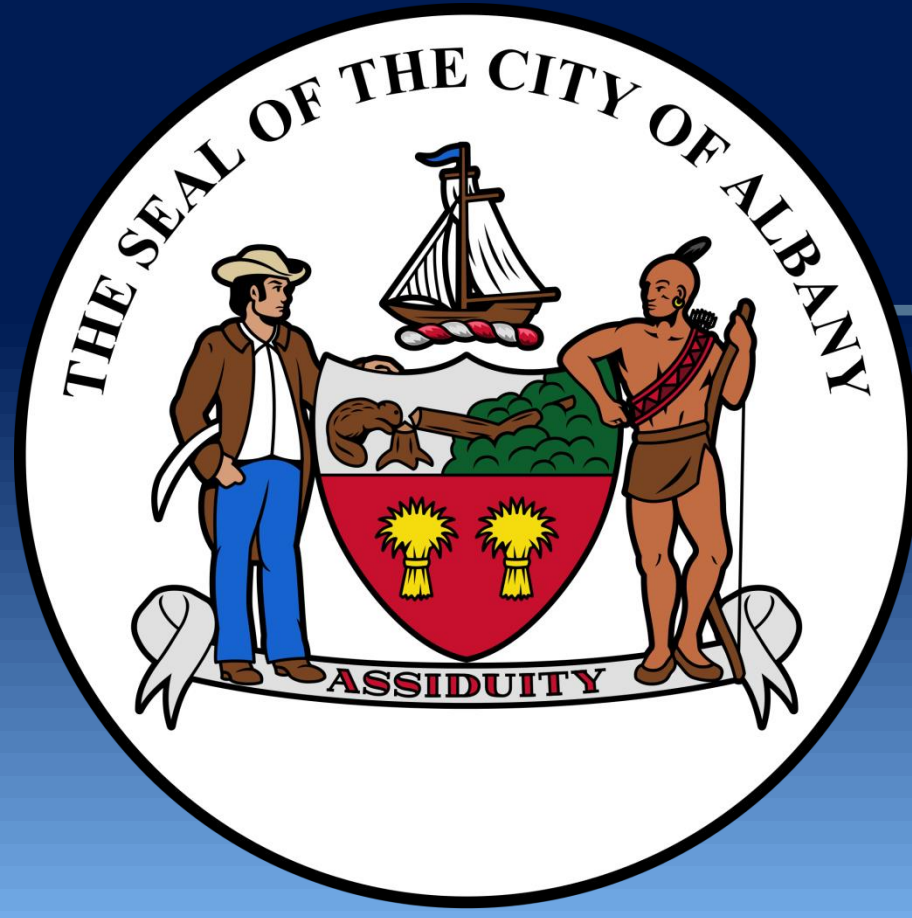

THE AMOUNT OF AIM ALBANY RECIEVES IS UNJUST

- The City of Albany receives less AIM per capita than any other upstate city with at least 48,000 residents

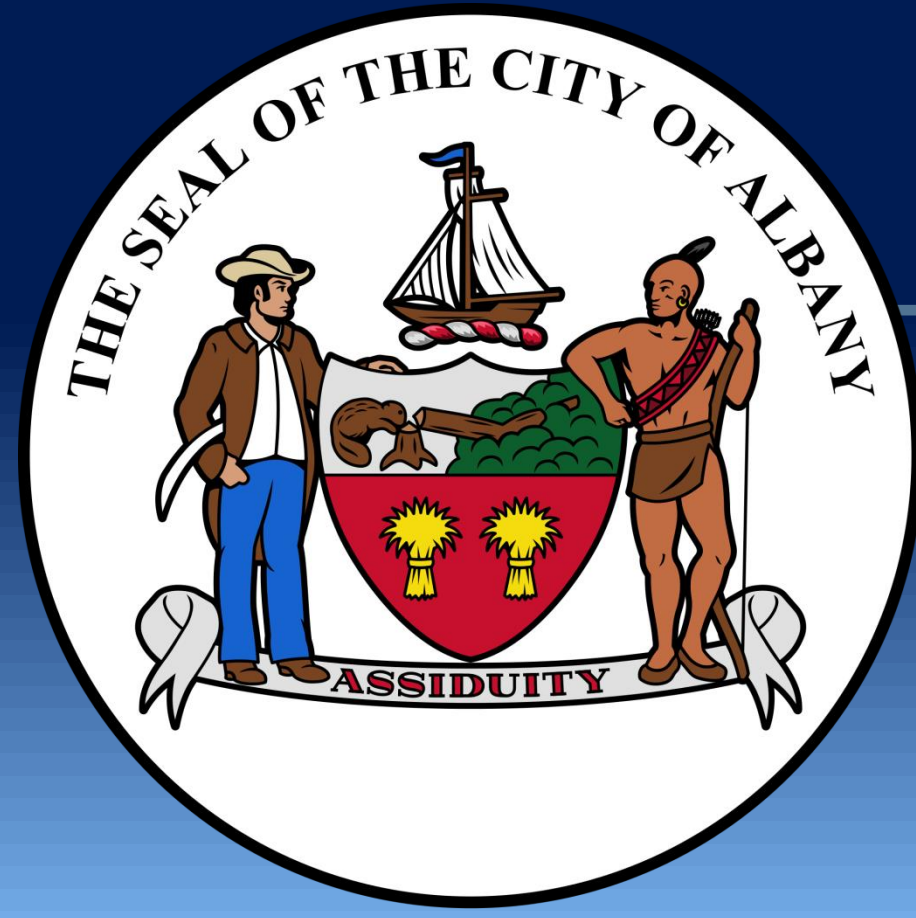

<u>City</u>	<u>Population (2017)</u>	<u>AIM Per Capita</u>
Buffalo	258,612	\$623.66
Syracuse	143,396	\$500.42
Rochester	208,046	\$424.11
Niagara Falls	48,460	\$367.20
Utica	60,635	\$265.70
Troy	49,565	\$247.74
Schenectady	65,625	\$169.44
Albany	98,251	\$128.32

AIM BY DAYTIME POPULATION

- The AIM per capita disparity among cities is even greater when taking into account daytime populations

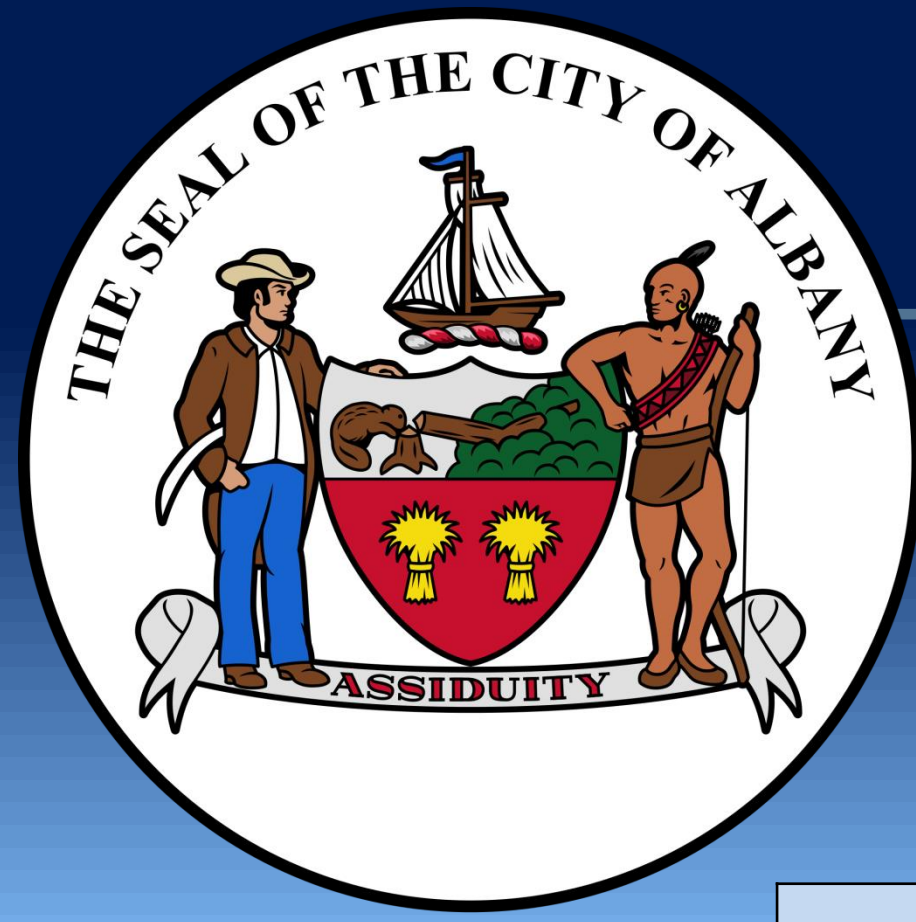

<u>City</u>	<u>Daytime Population</u>	<u>AIM Per Capita</u>
Buffalo	357,181	\$451.55
Syracuse	213,686	\$335.81
Rochester	318,110	\$277.37
Utica	84,673	\$190.27
Schenectady	87,521	\$128.04
Albany	180,113	\$70.00

ALBANY CANNOT TAX ITS WAY OUT

- Buffalo's AIM is 111% of its combined city and school tax levy, yet Albany's AIM is 7.24% - this is simply unjust

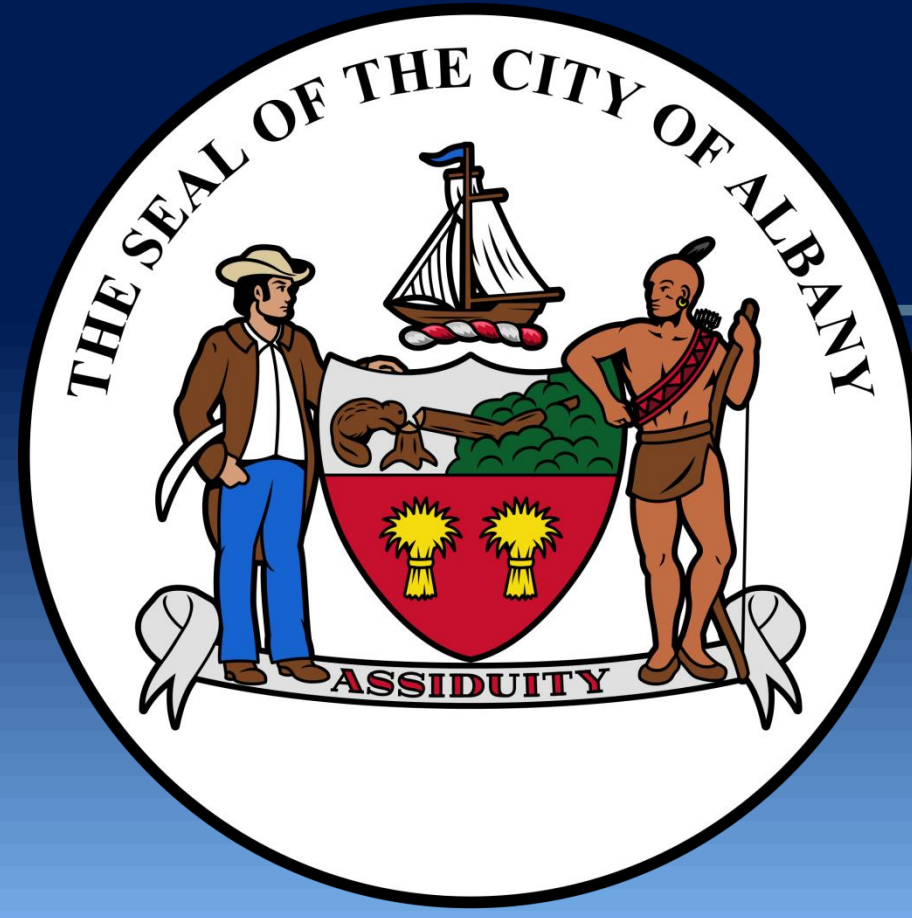

<u>City</u>	<u>City Tax Levy</u>	<u>School Levy</u>	<u>Total</u>	<u>AIM Aid</u>	<u>AIM as % of Total Levy</u>
Buffalo	\$74,497,242	\$70,822,758	\$145,320,000	\$161,285,233	110.99%

Rochester	\$59,537,400	\$119,100,000	\$178,637,400	\$88,234,464	49.39%
Utica	\$29,422,062	\$30,005,865	\$59,427,927	\$16,110,473	27.11%
Albany	\$58,550,000	\$115,514,377	\$174,064,377	\$12,607,823	7.24%

EVEN WITH 19-A...

- Albany receives less state aid as a percentage of its general fund than every large upstate city other than Schenectady

<u>City</u>	<u>Population (2017)</u>	<u>State Aid as % of City General Fund</u>
Buffalo	258,612	40.6%
Syracuse	143,396	31.3%
Rochester	208,046	25.9%
Utica	60,635	23.1%
Troy	49,565	22.9%
Niagara Falls	48,460	20.9%
Albany	98,251	16.4%
