## **ALBANY COMMON COUNCIL EMERGENCY SPECIAL MEETING**

**MARCH 26, 2020 7:30PM VIA ZOOM DIGITAL MEETING PLATFORM**

**ALBANY, NY** – In an effort to continue doing legislative work while minimizing the spread of COVID19, the Albany Common Council will be meeting on Thursday, March 26, 2020 at 7:30pm on the Zoom Meeting app. Residents will be able to watch the meeting at a link that will be available on the Albany website along with the Common Council Facebook page.

Common Councilmembers look forward to hearing from constituents and are asking for people to send in any comments via email to [commoncouncil@albanyny.gov](mailto:commoncouncil@albanyny.gov) . We are actively working to ensure future meetings will have the availability of live public comment but until that point, we encourage emails.

We continue to work with Mayor Sheehan and City of Albany staff and encourage residents to visit the City of Albany COVID19 Resource Guide for up to date information.
