

SPONSOR A TREE

Sponsoring a tree is a great way to acknowledge how trees enhance the quality of life our City.

Participating in this program gives you and your group the opportunity to join a community of tree keepers who recognize the benefits and beauty that trees provide.

As a business, you will sponsor a street tree to be planted in the city where an addition of a tree will make a difference in the quality of life of a neighborhood or business district.

Your one-time sponsorship fee will allow the city to plant and maintain a street tree for a 3-year period. For your generosity, a tree stake will be placed with your organization's or company's name/logo as well as your name will appear on the City's website as a corporate sponsor.

Tree Costs:

1 Tree.....\$1,000
12 Trees.....\$10,000
25 Trees.....\$20,000

included in the cost:

- purchase of the tree
- planting of the tree
- organization placard placed at base of tree
- maintenance & care for a 3 year period

*Your donation is tax deductible. The City of Albany has created a dedicated fund for the sole purpose of tree planting sponsorships. These funds will not be used for any other purpose than their intended use.
