

Dylan Spring Biography

My name is Dylan Spring, I am a single father who works for DGS and work as the Financial Analyst there. I oversee the budget, purchases, and verify we received items/services before payment is made. I have been with the city for a year and a half and have enjoyed my time here. I have been a marijuana enthusiast for many years and recently became a NYS medical patient and have been closely following the various NYS laws since their inception. I am very excited to help with this Committee and look forward to representing DGS for this important initiative.
